6:48	Heat 64	Bronze (SCRJ)	(Final)
6:56	Heat 66	Open (SCRJ)	(Final)

### **What are the different styles?**

There are 2 International styles, Latin and Standard, and 2 American styles, Rhythm and Smooth. The main differences between the two is that American music tends to be a bit slower, International figures remain in frame, and American figures open out.

### **This is my first competition.**

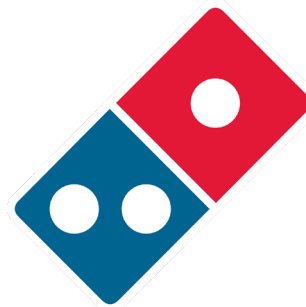

#### **What is proper etiquette?**

This is a collegiate competition, so we encourage you to cheer on your teammates by shouting out their number (or name/whatever you feel). Please be courteous to spectators by waiting until the end of a dance to pass in front of them to make your way to your seat. This is also a family event, so please be mindful of who is around you and how you conduct yourself.

#### **How does judging work?**

If a couple is in a quarter or semi final, judges mark who they want to advance to the next round. During the final round, the judges rank the competing couples based on the place they think the couple should get.

## Special Thank you
